# Coaching with

## HOLISTIC APPROACH

We adopt a holistic approach to education, prioritizing personal growth & nurturing well-rounded individuals by developing intellectual, emotional, and social skills.

## STUDENT-CENTRIC LEARNING

With our personalized coaching methods, we cater to each student's learning style, strengths, and weaknesses, while our Student First approach empowers every student to reach his/her full potential.

## PERSONAL DEVELOPMENT WORKSHOPS

These workshops instill confidence & emotional intelligence in our students which help them to tackle challenges with a positive mindset and adapt to change effectively.

## SINGLE SOURCE FOR SCHOOL & COMPETITIVE EXAMS

We at VMC pride ourselves as a Single Source responsibility for students excelling in School / Board exams through our efficient modules & classes addressing all Academic needs.

# a Difference - VMC

## STRESS FREE LEARNING

Since our inception, our pedagogy has been uniquely designed to impart stress-free, relaxed yet joyful Education.

## EXPERT MENTORS

We have highly experienced & passionate mentors who not only teach but also help students overcome challenges and excel in their academic pursuits.

## PERFORMANCE TRACKING & SUPPORT

Through this system we provide regular feedback & support to help students overcome difficulties and stay motivated throughout their journey.

## LIFELONG LEARNING MINDSET

Our Coaching School nurtures lifelong learners with a growth mindset, inspiring a love for knowledge beyond the classroom.

## Awarded

**Engineering and Medical Coaching**

**for Excellence in Best Coaching Institute of JEE Main & JEE Advanced**

**"IIT-JEE Test Prep. & Stress Free Education in Test Prep. Industry for the Year 2023"**

WHERE THE  
**FOUNDERS ARE THE TORCHBEARERS**  
**SUCCESS IS CERTAIN!**

# KNOW YOU

Mr. Brij Mohan (Bade Bhaiya)  
IIT Delhi Alumnus, Co-founder VMC

Acknowledged as the **“MAHAGURU OF CHEMISTRY”** and the **“Most Passionate Teacher of Chemistry”**, his goal is simple, to produce successful IITians who not only act as change agents in the Science spectrum but also in “Society” & Humanity”. He did his graduation from IIT Delhi in the year 1985. His Genius has made VMC - the real temple of education for nearly 40 years and will continue to do so in future too.

Mr. Shyam Mohan (Chhote Bhaiya)  
IIT Delhi Alumnus, Co-founder VMC

He is revered by students as the **“GOD\* OF PHYSICS”**, and is also known as the **“Master of Student”** psychology. Few people are aware that he cracked the IIT-JEE when he was only in Class XI. He did his graduation from IIT Delhi in the year 1985. Later, he pursued his passion as a full-time teacher and co-founded Vidyamandir Classes in 1986 with his brothers Mr. Brij Mohan & Mr. Manmohan.

\*Quoted by Ex-VMCians

## VMC Founders Share their thoughts on Frequently asked Questions by Parents

### What is your perspective on the challenges & stress often associated with preparing for JEE / NEET?

Yes, the preparation for these exams is very challenging & may be stressful. But with a careful preparation strategy, self-discipline, consistent practice with effective time management skills and guidance from a knowledgeable mentor, this preparation can transform into a stress-free & Joyful journey.

### What strategies does VMC employ to make students' stress-free and help them cope with the academic workload?

We offer tailored mentorship programs that closely monitor students progress & conduct workshops on exam temperament & effective time management. Additionally, we prioritize maintaining a harmony between academics and extracurricular activities. VMC upgrades itself year after year. This year, we have launched Newly Designed Academic Phase Plan that will naturally remove stress. **Knowing what needs to be done is important Knowing what's not to be done is even more important**

# OF TEACHING,

# MENTORS

Mr. Manmohan (Munna Bhaiya)  
IIT Delhi Alumnus, Co-founder VMC

A beacon of inspiration, a **“WIZARD OF MATHEMATICS”**, Mr. Manmohan has more than 28 years of extensive experience in teaching, IT, & monitoring. He holds a B.Tech in Electrical Engineering from the IIT Delhi. At VMC, Mr. Manmohan has transformed the pedagogy and implemented **technology-enabled** learning techniques, laying the ground work for other business in the test preparation sector to follow.

Mr. Sandeep Mehta (Sandeep Bhaiya)  
IIT Delhi Alumnus, Co-founder VMC

A **“GUIDING LIGHT”** for students, Mr. Sandeep Mehta graduated from IIT Delhi with a B.Tech In Mechanical Engineering (1994 Batch). He has dedicated his life to leading VMC to greater heights of success over the last 3 decades. Along with his exceptional leadership and management skills, he oversees and manages all corporate activities, motivates staff, and works to maintain and grow the company's revenue.

## Is early preparation for JEE/NEET becoming increasingly crucial and does it ultimately reduce students' stress levels?

Students and parents should understand that competition is only going to get fiercer with each passing year. Starting early allows students to build a strong fundamental base and gain confidence, which can ultimately reduce stress. Early preparation provides more time for thorough understanding and practice, helping students face the exams with confidence, greater ease, reduced anxiety, and without any rush.

## What's the mantra for success in JEE/NEET? And what distinguishes VMC from others?

My belief is that JEE & NEET aren't invincible exams but are just designed differently. In today's time - plethora of preparation options are available for students like YouTube, Digital programs, reference books, etc. But we pride ourselves as a Single Source Responsibility for students excelling in School/Board and other competitive exams through our Efficient Modules and Classes addressing all Academic Needs. Moreover, what sets us apart is our principle "Student First", where we focus on our students' overall success above everything else.

# ABOUT US

Founded in 1986, VIDYAMANDIR CLASSES (VMC) stands as a pioneering institution in the realm of JEE and NEET test preparation. Renowned for its comprehensive coaching programs for JEE Main, JEE Advanced, NEET, and Olympiads, VMC was established with a visionary approach to inspire, guide, and propel students towards achieving their ambitions in engineering and medicine.

Under the guidance of its founding members, VMC has consistently set industry standards with its unparalleled commitment to excellence. The institution's ethos, encapsulated in the motto "THINK IIT, THINK VMC," reflects its unwavering dedication to nurturing academic potential and fostering success.

Over the past five years alone, VMC has empowered over 10,000 students to excel in the highly competitive arenas of JEE and NEET. Through meticulously designed courses supported by rigorous performance assessments, VMC ensures that each student receives expert guidance grounded in scientific methodologies.

VMC continues to redefine educational benchmarks, providing a platform where aspirations meet achievement through a blend of innovation, expertise, and a relentless pursuit of academic excellence.

# TRADITION OF SUCCESS

Over the years, the name Vidyamandir Classes (VMC) has become synonymous with success in **JEE (Main & Advanced)**, **NEET** & other competitive & scholastic exams. VMC thoroughly evaluates students' talents and subject knowledge before teaching them at the level where they can outperform their peers and realize their aspirations.

VMC believes in following and imparting the "Real meaning of education" and provides an environment to all our students, which not only help them learn well but also inspire them to recognize and explore their highest potential.

VMC lives up to its standards and commitment of providing personal attention and proper learning environment.

## *Vidyamandir...*

### ***Guiding students and setting superlative standards of learning for almost 40 years***

All the Founders of VMC are Ex-IITians, who are pioneers in the JEE Test prep space and have mentored & helped thousands of students recognize their worthy prospects of getting into the IITs and other Top Engineering colleges in India. Till date, all the founders are actively and passionately involved in teaching & guiding students and are also engaged in the day to day activities of Academics and Operations.

Vidyamandir Classes offers a complete range of programs to students based on their location and requirements. All programs are based on the time tested teaching methodology which has been perfected by VMC and which has produced unmatched results in IIT-JEE consistently for almost 40 years. For a complete list of programs being offered at VMC, please refer to the content section at the beginning of this brochure.

## **VMC'S FIRST'S**

Adhering to its credo of “Student First”, VMC has been deeply committed to aiding students with entire paraphernalia which is imperative for overall growth - making us the most prolific, consistent, and dependable education institute. Always the one to set a benchmark for others to follow, VMC has piloted many **FIRSTS** which have individually engraved their place whilst, unitedly contributing to the prominent height that VMC enjoys today.

**2021**

**FIRST** to collaborate with schools and start VMC Vision and Disha - the best Career and Stream Selector Tests respectively

**2008**

**FIRST** to introduce most comprehensive distance learning program, first ever in India with a blend of online tests, automated analysis & online doubt clearing functionality

**1995**

**FIRST** to introduce computer based analysis of students performance

**1992**

**FIRST** classroom coaching centre to provide comprehensive study material which perfectly synchronizes with classroom sessions

**2023**

**FIRST** to introduce a pioneering Academic Phase Plan, which represents a tactical genius, providing students with a holistic roadmap to success in JEE / NEET

**2011**

**FIRST** to adapt technology to initiate JEE classes through VSAT

**2007**

**FIRST** time in India, introduced online assessment for IIT-JEE coaching. IIT introduced this 5 years later

**1995**

**FIRST** to introduce a revision course for IIT-JEE preparation - Final Step (FS)

**1990**

**FIRST** to introduce admission & talent screening test for IIT-JEE coaching. We predicted the future way before the IIT introduced it

## OUR CORE VALUES

---

<b>S</b>	<b>I</b>	<b>N</b>	<b>C</b>	<b>E</b>	<b>R</b>	<b>E</b>
▼	▼	▼	▼	▼	▼	▼
<i>Scientific &amp; Student Centric</i>	<i>Integrity &amp; Innovation</i>	<i>Nurturing</i>	<i>Consistent</i>	<i>Empathetic</i>	<i>Reliable</i>	<i>Ethical &amp; Encouraging</i>

## OUR MISSION

---

To become first preference for all students regarding their prep for all competitive & scholastic exams. As a guru, to continuously foster intellectual curiosity, develop critical thinking and enable pursuit of excellence in all educational endeavors.

## OUR VISION

---

To help students EXCEED their potential while creating awakened citizens who will take the nation forward and make the world a better place.

# VMC PEDAGOGY

For JEE Programs

## Study Material

In 1992, VMC recognized the need for organized and comprehensive study material, which was perfectly synchronized with the classroom sessions. Thus, **VMC** became the **FIRST** institute to introduce completely cohesive and scientifically designed program material for its students. The study material is revised every year and covers every aspect of each topic, making it completely self-sufficient.

The Study material primarily consists of Modules and Workbooks. Modules are designed to cover the Theory portion of NCERT, JEE (Main and Advanced), as per the latest pattern and syllabus of each year. Workbooks are provided to assist preparation for Boards/Schools & other Engineering entrance exams.

Modules form the primary part of the VMC Study material and each module is divided into chapters. Each chapter is then further divided into two sections, as explained here:-

### Detailed Theory Portion

This part details simple illustrations to strengthen the core foundation

### Solved Examples & In-chapter Exercises

Accurate and thorough explanations are provided to ensure students internalize the core concepts. Each step in the solved examples is carefully and systematically explained, to show students how to attempt a particular problem.

### School/Board Notes

Exhaustive notes on Economics, English and Computer Science are provided to students to help them in their schools in Class XII, besides notes on Chemistry, Physics and Maths.

### Other Engg. Entrance Exams Support

A comprehensive set of previous year exams and practice papers is provided to students for exams like BITSAT & VITEEE and ensures that all students make their way to the prestigious colleges.

### Final Step Revision Package

Intended to provide a comprehensive revision just before the final exam and designed carefully by VMC Founders, this section includes Revision Package for JEE (Main & Advanced), Home Practice Tests & Test Series for JEE (Main & Advanced).

## Classroom Session

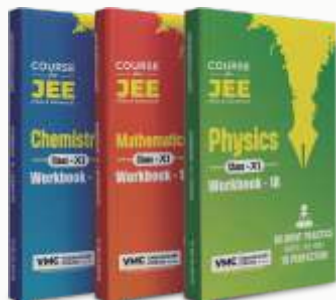

At Vidyamandir, our dedicated faculty's sole aim is to help students succeed in JEE Advanced, JEE Main, and other engineering exams. We also strive to create a passion for scientific discovery and logical thinking which would help them

succeed in all aspects of life. Classroom sessions are complemented and synchronized with the study material, which in itself is a complete guide in every aspect.

## Workbooks

We've developed a fresh approach called "Workbooks." Our philosophy is simple, we encourage students to grasp core concepts independently before attending the class. These workbooks (Physics, Chemistry & Mathematics) consist of exercises which are organized chapter by chapter, with each chapter offering Daily Tutorial Sheets (DTS) catering to various difficulty levels.

## Test Series

Leaving nothing to chance, VMC takes its students through multiple exams, in exact Mock conditions to ensure the students don't get psyched out by anything on the D-day.

Multiple categories of tests viz Online tests, JEE (Main & Advanced), BITSAT & others are provided to the students during their course. The Testing and Analytics part is handled by Vidyamandir's TEST ENGINE, which was started **in 2007** and is one of the most powerful & comprehensive Testing Platforms in the country.

# VMC E-LEARNING SYSTEM

VMC's e-learning system is a state of the art platform, which empowers learning over the Web and Android Apps. It allows delivery of content through Ebooks, Videos, Exercises and Tests, and allows students to learn "On the Go"(works without internet). The e-learning system helps students in knowing the Topics where they are weak and need to concentrate their learning. **It also helps them revise on their own, anytime, anywhere using the huge bank of questions VMC has developed over the years.**

The system helps teachers focus upon their teaching and delivery, by assessing the student's learning curve and suggesting topics where students are not performing optimally. In addition, it allows students and teachers to be in touch round the clock, through Discussion rooms in the App.

In addition to assisting the students and teachers, the system also provides App for parents, which can be readily used to analyse the performance of their wards and get in touch with teachers, as and when required.

The e-learning system has an Integrated Testing and Analytics Engine, which is one of the most powerful assessment engines in the country. This engine takes the students through multiple tests, to ensure that all the students can face innumerable permutation, combinations to define their individual test-taking approach and also excel in the final exam.

# STUDENT FIRST

VMC's Year After Year Success Emanates from its "Student First" Philosophy.

VMC's Holistic Approach Inspires Students to Perform Beyond their Potential, Guiding them Towards Success.

Driven by Truth, Ethics, and Commitment, VMC Follows the Mantra "Think IIT, Think VMC".

VMC Consistently Produces IITians, Future Leaders, and Responsible Citizens who Contribute to Nation-Building.

Keeping in mind a stress-free approach and a unified curriculum, the founders of VMC have crafted the **COE** and **Illuminati Batch**, which serve as a one-stop solution for potential top-rankers. The program, led by dedicated and expert faculty members, aims to help students undergo a 360° academic transformation, preparing them to excel with Top Ranks in the challenging JEE (Main & Advanced).

WE HAVE **2 LEVELS** OF **TOP BATCHES**

## 1. **VMC COE** Citadel of Excellence

**2 Year Classroom Program** for Students of Class 11<sup>th</sup> & 12<sup>th</sup>

### Features:

- COE is overseen by VMC's founders and it operates exclusively at VMC's Head Office (NSP, Pitampura)
- 24 hours of rigorous teaching per week (2 Classes Per Day with duration of 3 Hrs each for 4 Days per week) and one weekly test based on JEE Main and Advanced Exam Pattern
- The syllabus for both CBSE class 11th and 12th, as well as JEE Main and Advanced, will be completed by July end of class XII (much ahead of schedule compared to other batches), providing more time for revision and testing
- Classes will take place in state-of-the-art facilities, enhancing the learning experience while maintaining a strong focus on achieving top All India Ranks
- Classes will be led by VMC Founders and core faculty members with a proven track record of producing top ranks over the years
- Daily one on one sessions with Faculty members; advanced-level problem solving and Intensive Testing & Practicing
- Extensive material is provided for thorough revision & practice
- Assessment in National Pattern: Monthly Online Tests, JEE Main, and JEE Advanced Booster, along with additional Weekly Tests planned only for COE batch
- In-depth 5 months (approx.) revision for JEE Main and 9 months (approx.) for JEE Advanced
- Focus on the holistic development of the students
- Regular motivational talks, videos & discussions along with recreational activities
- Hostel / PG facility for outside Delhi Students (with more than 25 kms distance)
- VMC will extend substantial financial support to students who qualify for the COE.
- Vidyamandir Classes will also offer assistance for various competitive and scholastic examinations.

### Selection Process:

#### New Students

- » Top performers from VMC's admission tests (VIQ, VINit, NAT) & other students will have to appear in any one of special test for COE followed by interview with faculty
- » **Syllabus:** Complete Syllabus of Class 9 & 10 (Physics, Chemistry & Mathematics)
- » **Pattern:** Tests will comprise higher level questions divided into categories (Single Choice, Multiple Choice, Integer Type & Paragraph Type)

**Note:** Students are required to maintain a consistent performance in their designated batches to prevent any reshuffling. Those showing an average performance may be transferred to alternative batches.

# 2. Illuminati Batch:

2 Year Classroom Program  
for Students of Class 11<sup>th</sup> & 12<sup>th</sup>

## Features:

- The apex batch at every centre, providing students with the optimal environment for excelling
- Facilitating healthy peer competition for an enriched learning experience
- Benefit from expert guidance with faculty at the level of Heads of Department
- Enhanced preparation through frequent, high-level testing with exams at JEE Main/Advanced level
- Accelerated pace to complete 12th Syllabus (Phase-3 of 2 Year program) to save around one month's time
- In-depth 4 months (approx.) revision for JEE Main and 8 months (approx.) for JEE Advanced
- Provide students with ample revision and practice materials for comprehensive preparation

## Selection Process:

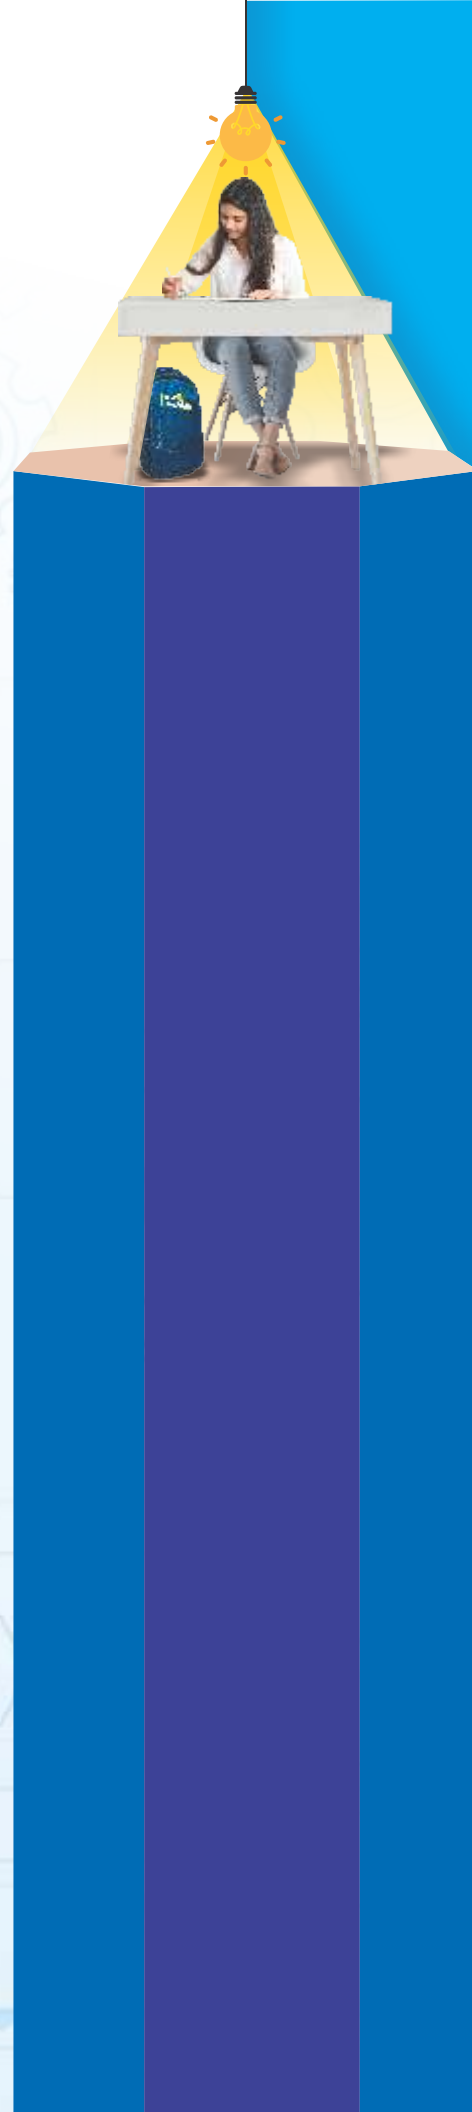

### New Students

- ❖ Top Performers from VMC Admission Tests taken in Offline Mode are offered this batch.

If a student has taken online admission test, then he/she has to re-appear in a separate offline test to qualify for Illuminati batch

- A student who has appeared in COE special test and not qualified for COE, but qualified for Illuminati, will be offered Illuminati batch

**Note:** Students are required to maintain a consistent performance in their designated batches to prevent any reshuffling. Those students who would be excelling consistently may be considered for studying in the Illuminati batch. And those students who would not be performing well would be transferred to regular batches.

# 1 Year Classroom Program for 12<sup>th</sup> Pass Students

**JEE (Main & Advanced)**

## Program Advantage:

This program is conceived with the aim to propel students All India Rank in JEE Main & Advanced by a massive margin in just one year's time. Spearheaded by Top Faculty with years of experience, special significance is laid on identifying the weak areas and strengthening them, enhance problem solving ability with speed & accuracy and improving the exam temperament of the student.

## Class Schedule\*

4-5 days /week. Total 20 hrs/week (approx.)

## Study Content

Complete Study Material

VMC provides its students with a set of study material (Modules + Workbooks) that has been scientifically prepared to ensure comprehension of even the most difficult topics.

The study material covers every aspect of each topic and is completely self-sufficient.

## Practice

Schedule mentioned above is tentative, number of hours/days may vary from centre to centre

# 1 Year Classroom Program For Students of Class 12<sup>th</sup>

## JEE (Main & Advanced)

This program is conceived with the aim to propel students All India Rank in JEE (Main & Advanced) by a massive margin in just **one year's time**. Special significance is laid on identifying the weak areas and strengthening them, enhance problem solving ability with speed & accuracy and improving the exam temperament of the student.

Students enrolling in this program early will be eligible to attend Class 11<sup>th</sup> through Offline Mode before commencing their actual program.

New Session onwards, students will get access to class recordings of entire Class 11<sup>th</sup> syllabus to strengthen their concepts. This program focuses primarily on Class 12<sup>th</sup> syllabus followed by comprehensive revision classes as well as Testing & Evaluation.

### KEY FEATURES

**Integrated Content:** Our study material is designed to cover both the school curriculum and JEE syllabus. This integration ensures a seamless learning experience.

**Well-Laid Out Learning Tool:** The study material is structured in a step-wise and level-wise manner, making it easy for students to grasp complex concepts.

**Highly Qualified Faculty:** Students benefit from the expertise of highly qualified and effectively trained faculty who guide them through their academic journey.

**Curated Question Bank:** We have a meticulously curated question bank that has evolved over the years and is regularly updated to align with the latest curriculum.

**Classroom Assessments & Practice Sheets:** Regular assessments and practice sheets in the classroom environment help students gauge their understanding and improve.

**Scientific Testing System:** Our centralized testing system is scientifically designed to evaluate students' progress accurately.

**Testing Pattern Aligned with NTA & IITs:** Our testing pattern aligns with the National Testing Agency (NTA) and IITs, ensuring that students are well-prepared for the entrance exams. Our study material is complemented by a level-wise testing system, enabling students to progress from concept learning to application and analysis gradually.

**Detailed Post-Test Analysis:** After each test, students receive a comprehensive analysis of their performance, helping them identify their strengths and areas for improvement.

**LMS Support:** Students are given complete online support for their studies which includes Class Notifications, General Notifications, e-Books (of Modules), Test (in Online Mode), Test Paper PDFs (Competitive and CBSE), Comprehensive Test Analysis with their peers, Doubt Forum etc.

### Tests Throughout the Program

Test Type	Number of Tests
JEE Main Tests	8 (including 1 Computer-Based Test)
Mock JEE Main Tests (Computer-Based Tests)	10
JEE Advanced Booster Tests	5
JEE Advanced Tests	3 (including 1 Computer-Based Test)
Mock JEE Advanced (Computer-Based Tests)	5

### ADDITIONAL BENEFITS

**Revision:** A consolidated revision plan comprising JEE (Main & Advanced) will be provided to strengthen the preparation, ensuring students are fully equipped for JEE.

**Board Notes for Class 12th Final Exams:** Comprehensive board notes for Class 12th subjects, including Physics, Chemistry, English, Economics, and Computer Science are provided that helps students excel in their board exams.

**BITSAT Test Series:** For those aiming for BITSAT, a specialized test series comprising 10 Online Mock Tests along with Logical Reasoning (LR) and English classes are conducted in Online Mode to prepare students for this prestigious exam.

**Readiness for CBT (Computer-Based Tests):** We ensure that students are well-prepared for Computer-Based Tests (CBTs) through our program, helping them adapt to the evolving examination format.

Join **Vidyamandir Classes** and embark on a transformative academic journey that will prepare you not just for exams but for a bright future ahead. Our comprehensive study material and dedicated faculty are here to guide you every step of the way. Excellence awaits you! Join us to embark on a successful journey towards your engineering aspirations.

## 2 Year Classroom Program For Students of Class 11<sup>th</sup> & 12<sup>th</sup>

**JEE (Main & Advanced)**

A program which is designed to take students to the zenith of success. This program is focused towards building strong fundamentals in Physics, Chemistry & Mathematics, raising the analytical & logical reasoning ability, enhance focus, raise IQ, and enable students to inculcate the spirit of competitiveness. This program will act as a stepping stone for students to confidently conquer other exams viz. JEE (Main & Advanced), BITSAT, etc. Students starting their preparation early with this program would be in a better position to counter stress, anxiety vis a vis those students who would not be starting early.

### KEY FEATURES

**Integrated Content:** Our study material is designed to cover both the school curriculum and JEE syllabus. This integration ensures a seamless learning experience.

**Well-Laid Out Learning Tool:** The study material is structured in a step-wise and level-wise manner, making it easy for students to grasp complex concepts.

# Transforming Today's Students *into* **Tomorrow's Doctors**

**VMC MEDICAL**

Similar to the unprecedented success of IIT-JEE, VMC continued its rich legacy of feat with the advent of VMC Medical few years back. Owing to the needs and desires of medical aspirants, VMC Medical Program was started following in-depth research whilst delivering, innovating the art of teaching- all while ensuring that the students attain their goals and live their dreams.

VMC & VMC Medical have been blessed to have had significant achievements in the past and is determined to raise the bars high as the years unfold.

## WHY VMC MEDICAL ?

# 1 Year Classroom Program For 12<sup>th</sup> Pass Students

## NEET

### PROGRAM ADVANTAGE:

Experience a transformative journey with our precisely crafted program, designed to turn setbacks into powerful comebacks. Specifically tailored to help students achieve significant improvements in their NEET marks and ranks, this is the ultimate program to join. Our top faculty in Physics, Chemistry, and Biology will guide students through an intensive preparation process, sharing invaluable insights and strategies to help them reach new heights of success in NEET.

### CLASS SCHEDULE

4 hrs/day (Five times a week classes). Total 20 hrs/week

### STUDY CONTENT

At VMC, we offer meticulously crafted study material comprising 6 modules and accompanying workbooks for each subject. Our scientifically designed material ensures thorough comprehension of even the most challenging topics. Covering every aspect, including NCERT, it provides students with a self-sufficient learning resource for academic excellence.

### LMS SUPPORT:

At VMC, we provide Comprehensive Online Support to enhance your learning experience. From class notifications to e-books of Modules, Online tests, and doubt forums, we've got you covered. Engage with peers, access Test Papers (CBSE and Competitive both), and benefit from detailed Test Analysis.

### KEY FEATURES

**Highly Trained Faculty:** Our experienced and dedicated faculty members are well-equipped to deliver top-notch instruction, clarify doubts, and mentor students throughout their learning journey.

**Classroom Assessments & Practice Sheets:** Regular classroom assessments and practice sheets reinforce concepts, promote practice, and aid in the retention of knowledge.

**Practice Workbooks:** These are such designed that are synchronized with the lecture planner in the form of NCERT, Class Tutorial Sheets (CTS), Practice Test Sheets (PTS), PYQs of the specific topic. Combined these worksheets provide students a command over the topic.

**Motivational Webinars:** VMC Guru's would be helping students with Motivational & Knowledge gaining webinars for their career path.

### TESTS THROUGHOUT THE PROGRAM

16 Fortnightly Tests, 6 Module Tests, 14 Tests (Rank Booster - Offline), 14 Tests (Rank Booster - Online for Home Practice)

# 1 Year Classroom Program For Students of Class 12<sup>th</sup>

**NEET**

## PROGRAM ADVANTAGE:

**VMC's 1-Year Regular Classroom Program** for **NEET** helps you to delve into the core concepts while helping you have a deeper understanding of the subjects. The program supports you in discussing and clarifying your doubts anytime during the session. The regular classroom program for the Medical Division will run along the same lines and pedagogy as the highly successful JEE division in **VMC**.

The program is divided into **two phases** – The **first phase** focuses on the topics of Class 12<sup>th</sup> syllabi followed by review classes on the Class 11<sup>th</sup> syllabi of **NEET**.

## CLASS SCHEDULE:

- 4 days/week – 16 hours
- Total 600+ hours of classroom teaching

## KEY FEATURES:

**Highly Trained Faculty:** Our experienced and dedicated faculty members are well-equipped to deliver top-notch instruction, clarify doubts, and mentor students throughout their learning journey.

**Classroom Assessments & Practice Sheets:** Regular classroom assessments and practice sheets reinforce concepts, promote practice, and aid in the retention of knowledge.

**Practice Workbooks:** These are such designed that are synchronized with the lecture planner in the form of NCERT, Class Tutorial Sheets (CTS), Practice Test Sheets (PTS), PYQs of the specific topic. Combined these worksheets provide students a command over the topic.

**Motivational Webinars:** VMC Guru's would be helping students with Motivational & Knowledge gaining webinars for their career path.

## TESTS THROUGHOUT THE PROGRAM

**Phase 1:** 11 Practice Tests (Online), 11 Main Tests (Offline), 3 Module Tests (Offline)

**Phase 2:** 11 Revision Tests (Offline)

**Phase 3:** 14 Tests (Rank Booster - Offline), 14 Tests (Rank Booster - Online for Home Practice)

## STUDY CONTENT:

At VMC, we offer meticulously crafted study material comprising 6 modules and accompanying workbooks for each subject. Our scientifically designed material ensures thorough comprehension of even the most challenging topics. Covering every aspect, including NCERT, it provides students with a self-sufficient learning resource for academic excellence.

## LMS SUPPORT:

At VMC, we provide Comprehensive Online Support to enhance your learning experience. From class notifications to e-books of Modules, Online tests, and doubt forums, we've got you covered. Engage with peers, access Test Papers (CBSE and Competitive both), and benefit from detailed Test Analysis.

Schedule mentioned above is tentative, number of hours/days may vary from centre to centre

# 2 Year Classroom Program

## For Students of Class 11<sup>th</sup> & 12<sup>th</sup>

**NEET**

### PROGRAM ADVANTAGE:

**VMC's 2 Year Regular Classroom Program** for **NEET** helps you to delve into the core concepts while helping you have a deeper understanding of the subjects. The program supports you in discussing and clarifying your doubts anytime during the session. The regular classroom program for Medical Division will run on the same lines and pedagogy as the highly successful JEE division in **VMC**.

### CLASS SCHEDULE:

- 4 days & 16 hours/week
- Total 1200 hours of classroom teaching

### KEY FEATURES:

**Highly Trained Faculty:** Our experienced and dedicated faculty members are well-equipped to deliver top-notch instruction, clarify doubts, and mentor students throughout their learning journey.

**Classroom Assessments & Practice Sheets:** Regular classroom assessments and practice sheets reinforce concepts, promote practice, and aid in the retention of knowledge.

**Practice Workbooks:** These are such designed that are synchronized with the lecture planner in the form of NCERT, Class Tutorial Sheets (CTS), Practice Test Sheets (PTS), PYQs of the specific topic. Combined these worksheets provide students a command over the topic.

**Motivational Webinars:** VMC Guru's would be helping students with Motivational & Knowledge gaining webinars for their career path.

### MOTIVATIONAL WEBINARS:

VMC Guru's would be helping students with Motivational & Knowledge enhancing webinars for their career path.

### TESTS THROUGHOUT THE PROGRAM

#### Class 11

14 Practice Tests (Online), 14 Main Tests (Offline), 3 Module Tests (Offline)

#### Class 12

**Phase 1:** 11 Practice Tests (Online), 11 Main Tests (Offline), 3 Module Tests (Offline)

**Phase 2:** 11 Revision Tests (Offline)

**Phase 3:** 14 Tests (Rank Booster - Offline), 14 Tests (Rank Booster - Online for Home Practice)

### STUDY CONTENT:

At VMC, we offer meticulously crafted study material comprising 6 modules and accompanying workbooks for each subject. Are you in **class 9<sup>th</sup>** or **10<sup>th</sup>**, planning to become **An Engineer / Doctor** and struggling with this question?

## Should Preparation for JEE MAIN, JEE ADVANCED, NEET and Other Engineering Entrance Exams Start in Class 9<sup>th</sup> or 10<sup>th</sup> ?

Given the intensity of competition in today's time, an early start is indispensable. Ideally, one should start the preparation for Engineering / NEET entrance exams while in Class 9<sup>th</sup> but in case you could not, it is advisable for you to start preparing from Class 10<sup>th</sup>. There are many advantages of starting early.

- ▶ There is a significant rise in the complexity and quantity of the program curriculum of Class 11<sup>th</sup> as compared to Class 10<sup>th</sup> or Class 9<sup>th</sup>. A determined, passionate and hardworking student has a lot of time to spare in Class 10<sup>th</sup> or Class 9<sup>th</sup>, which if preparations for Engineering/NEET entrance exams are ON, is put to correct use. Starting preparations early helps you develop the right pace and temperament, which is extremely necessary for success.
- ▶ An early START is an early END. You will finish your program for the Engineering / NEET entrance exams early and this leaves you with plenty of time to go through the various patterns and combinations of questions asked in the examination. Knowing the concepts and fundamentals is one thing, but then putting them to use while solving questions, which typically will be very complex in exams like JEE Main, JEE Advanced & NEET is an art which has to be mastered. Early start gives us that precious time to master this forte.
- ▶ Early start would allow you to see the various exams and understand the testing pattern of competitive exams. An early start enables you to practice more questions and would enhance your comfort level in various Engineering/NEET entrance exams.
- ▶ Starting early, you would be able to spread the entire program over a longer duration, thereby having more time for detailed and deeper understanding of the concepts. All this would help you in effective and efficient utilization of time.
- ▶ Early start would also open opportunities for additional learning and exam avenues like Olympiads, INSPIRE and other prestigious examinations.

In nutshell, clearing Engineering / NEET entrance exams require you to thoroughly understand the core concepts and practice rigorously. Our 3 year and 4 year Foundation courses have been so designed that they cater to the needs of such early-starters who want to take the lead by starting early and benefit from the advantages and merits of these courses. Start Early ..... Be ahead in the race.

## 3 Year Classroom Program

For Students of Class 10<sup>th</sup>, 11<sup>th</sup> & 12<sup>th</sup>

**JEE / NEET**

At **Vidyamandir Classes**, we are committed to provide a comprehensive and transformative learning experience for **Class 10<sup>th</sup> students**. Our course offerings are designed to empower students with the knowledge, skills, and confidence needed to excel in school, scholastic, competitive exams, and beyond. Below, we outline the key components of our course, along with its unique features.

### KEY FEATURES:

---

**Courseware:** Our course offers comprehensive coverage of all subjects - Physics, Chemistry, Biology, Mathematics, Social Science, Mental Ability and English (Online Mode). This program comprises **6/7 Phases** focusing on completing school syllabus initially and then covering the JEE/NEET syllabus in detail.

**Highly Trained Faculty:** Our experienced and dedicated faculty members are well-equipped to deliver top-notch instructions, clarify doubts, and mentor students throughout their learning journey.

**Review Tests Throughout:** To assess students' progress and understanding, Review Tests based on latest CBSE Pattern (as per NEP 2020) are conducted in Class 10, providing valuable feedback and opportunities for improvement. In addition to this, Mock Half-Yearly and Final Exams are also conducted to simulate real exam conditions, helping students build confidence and perform their best. For test details, please turn overleaf.

**Scientific Testing System:** Our scientific testing system evaluates students' performance objectively and helps identify areas of improvement.

**Detailed Test Analysis:** After each test, we provide a comprehensive test analysis to help students understand their strengths and weaknesses, enabling targeted preparation.

**Additional Benefits:** In addition to core subjects, our course also prepares students for various competitive exams, including IOQM, NSEJS, and other Olympiads with nominal fees.

**PTMs:** Yearly two PTMs will be scheduled and students & parents will be informed well in advance. Although need based PTM's will also be scheduled.

**Motivational Webinars:** VMC Guru's would be helping students with Motivational & Knowledge enhancing webinars for their career path.

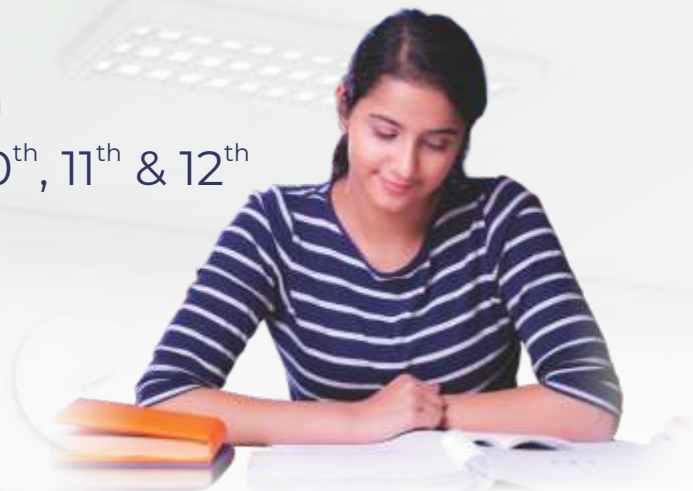

**LMS Support:** Students are given complete online support for their studies which includes Class Notifications, General Notifications, e-Books (of Modules), Test (in Online Mode), Test Paper PDFs (Competitive and CBSE), Comprehensive Test Analysis with their peers, Doubt Forum etc.

## 4 Year Classroom Program

For Students of Class 9<sup>th</sup>, 10<sup>th</sup>, 11<sup>th</sup> & 12<sup>th</sup>

**JEE**

At **Vidyamandir Classes**, we are committed to provide a comprehensive and transformative learning experience for **Class 9<sup>th</sup> students**. Our course offerings are designed to empower students with the knowledge, skills, and confidence needed to excel in school, scholastic, competitive exams, and beyond. Below, we outline the key components of our course, along with its unique features.

### KEY FEATURES:

---

**Courseware:** Our course offers comprehensive coverage of all subjects - Physics, Chemistry, Biology, Mathematics, Social Science, Mental Ability and English (Online Mode). This program comprises **7/8 Phases** focusing on completing school syllabus initially and then covering the JEE/NEET syllabus in detail. For more details of Phases, please turn overleaf.

**Highly Trained Faculty:** Our experienced and dedicated faculty members are well-equipped to deliver top-notch instructions, clarify doubts, and mentor students throughout their learning journey.

**Review Tests Throughout:** To assess students' progress and understanding, Review Tests based on latest CBSE Pattern (as per NEP 2020) are conducted in Class 9 & 10, providing valuable feedback and opportunities for improvement. In addition to this, Mock Half-Yearly and Final Exams are also conducted to simulate real exam conditions, helping students build confidence and perform their best.

**Scientific Testing System:** Our scientific testing system evaluates students' performance objectively and helps identify areas of improvement.

**Detailed Test Analysis:** After each test, we provide a comprehensive test analysis to help students understand their strengths and weaknesses, enabling targeted preparation.

**Additional Benefits:** In addition to core subjects, our course also prepares students for various competitive exams, including IOQM, NSEJS, and other Olympiads with nominal fees.

**PTMs:** Yearly two PTMs will be scheduled and students & parents will be informed well in advance. Although need based PTM's will also be scheduled.

**Motivational Webinars:** VMC Guru's would be helping students with Motivational & Knowledge enhancing webinars for their career path.

**LMS Support:** Students are given complete online support for their studies which includes Class Notifications, General Notifications, e-Books (of Modules), Test (in Online Mode), Test Paper PDFs (Competitive and CBSE), Comprehensive Test Analysis with their peers, Doubt Forum etc.

# Foundation

## 1 Year **Classroom Program**

### For Students of Class 8<sup>th</sup>

The Foundation - 1 Year Classroom Program by VMC Prodigy is designed to help students excel in competitions like Junior Olympiads and get ready for important scholastic & competitive exams like JEE, and NEET. It provides students with great resources for studying CBSE subjects, honing their problem-solving skills, and building a strong foundation in various subjects.

#### **CLASS SCHEDULE:**

---

Classes are scheduled thrice a week: Twice in Offline Mode for Science & Maths and Once in Online/Offline\* Mode for Social Science & Mental Ability (MAT).

*\*Mode may differ from centre to centre*

#### **KEY FEATURES:**

---

**Courseware:** This course offers comprehensive coverage of all subjects - Science, Mathematics, Social Science & Mental Ability. VMC provides its students with a set of study material that has been scientifically prepared to ensure comprehension of even the most difficult topics. The study material covers every aspect of each topic and is completely self-sufficient.

**Highly Trained Faculty:** Our experienced and dedicated faculty members are well-equipped to deliver top-notch instructions, clarify doubts, and mentor students throughout their learning journey.

**Review Tests Throughout:** To assess students' progress and understanding, 8-10 Review Tests are conducted in Class 8, providing valuable feedback and opportunities for improvement. In addition to this, Mock Half-Yearly and Final Subjective Tests are also conducted to simulate real exam conditions, helping students build confidence and perform their best.

**Scientific Testing System:** Our scientific testing system evaluates students' performance objectively and helps identify areas of improvement.

**Detailed Test Analysis:** After each test, we provide a comprehensive test analysis to help students understand their strengths and weaknesses, enabling targeted preparation.

**PTMs:** Yearly two PTMs will be scheduled and students & parents will be informed well in advance. Although need based PTM's will also be scheduled.

**Motivational Webinars:** VMC Guru's would be helping students with Motivational & Knowledge enhancing webinars for their career path.

**LMS Support:** Students are given complete online support for their studies which includes Class Notifications, General Notifications, e-Books (of Modules), Test (in Online Mode), Test Paper PDFs (Competitive and CBSE), Comprehensive Test Analysis with their peers, Doubt Forum etc.

# VMC's ADMISSION CUM SCHOLARSHIP TESTS

VMC was one of the first JEE institute to introduce an Admission cum Scholarship test for selecting students, not only for its JEE programs, but eventually for NEET preparation programs as well.

The Admission cum Scholarship tests are conducted several times during the year, various programs being run at Vidyamandir Classes. Basis the Class of the student, the syllabus varies but the primary focus of the test remains to judge the analytical ability of the student.

Following this till date, Vidyamandir Classes primarily selects students for its various engineering and medical programs on the basis of their performance in the Admission cum Scholarship test. Basis the performance in the test, deserving students are also offered concession in fee.

National Admission Test

Vidyamandir Intellect Quest

VMC International Incentive Test

## REGISTRATION

Registration for the Admission cum Scholarship test can be done either by going to [www.vidyamandir.com](http://www.vidyamandir.com) and paying online or by visiting any VMC centre.

Please note you can visit any VMC centre for registration for any test being conducted by VMC. Once you register for the Admission cum Scholarship Test, you will receive your Admit card through Email & details would be sent through SMS as well.

**You can also download the Sample papers by visiting [www.vidyamandir.com](http://www.vidyamandir.com).**

"You can check out Admission cum Scholarship Test syllabus, mode of registration, scheme of examination and other details in the handouts provided with this brochure or by visiting [www.vidyamandir.com](http://www.vidyamandir.com)"

The list of various VMC centres in India is available on the last pages of this brochure. You can also visit **LOCATE A CENTRE NEAR YOU** section on the website for more details.

## PLEASE MAKE SURE TO REMEMBER THE FOLLOWING

### OFFLINE

- Your need to paste your Passport size Photograph on the Admit card before coming to the Exam centre
- Please report at least 30 mins before the Exam
- Please make sure to bring Pens, Pencils, Eraser, Sharpener and other relevant items to the Exam centre
- On your Result declaration date, please download the Result letter from the relevant link on the website, [www.vidyamandir.com](http://www.vidyamandir.com)
- Please come on the dates mentioned in your Result letter to your nearest VMC centre for taking admission
- Please remember to bring your Admit card of the National Admission test, along with other things required for enrollment. Details of Fees and everything required for your admission at VMC will be mentioned in the Result letter.

### ONLINE

- **MOCK TEST:** Students can take mock test available on VMC website.
- **Do's FOR THE TEST:**

Test all your gadgets and network connection as suggested in the guidelines before the exam starts. Ensure that your Laptop is charged.

Run the 'compatibility check' before taking the test.

Ensure that the web camera is enabled and switched on with enough light for visibility.

Uninstall any third party software installed on the system for webcam before starting the test

Keep your Government ID proof ready to show when prompted for.

Please only TYPE your details in the registration form and do not copy-paste.

Please use only your registered email ID for logging into the exam.

Keep a check on your proctor chat window. Proctors try to reach you only for important messages.

In any case if you move away from your test window, you will receive a warning message. Not adhering to the warning will lead to auto-submission of the exam. Please ensure all notifications, pop-ups are closed before you start the test to avoid the computer screen navigation away from the online test window.
- **DON'Ts FOR THE TEST**

Do not refer to any other material or do not browse the internet to find the solution. Your screen details will get captured from the backend for monitoring and review.

During the exam do not access your mobile phone, earphone, calculator or any other electronic device during the exam

During the exam Monitoring will be real-time, and hence your exam may get terminated if unfair practice is followed.

Please note that the system will detect suspicious activities (additional people in the room, using mobile phones/calculators/books, candidate absence and other suspicious movement etc), and report such activities to the authorities.

There should be no one around you or talking to you while you are giving the exam.

Please ensure that there are no loud noises or disturbances of any kind. Do not read the questions aloud.

Bio breaks are not allowed during the exam.

Important Note: "During the examination; cases of malpractice, copying and impersonation etc. occurring are duly booked and reported to the Institute and it would enforce to take appropriate action or termination of the respective exam"

## VMC's ADMISSION ASSISTANCE CELL

If you have any queries or need assistance with Admission in VMC, here is what you can do:

Get in touch with your **nearest VMC centre** (Contact details are provided on the last page)
